

**TRIPLE NINE**  
Piping Solutions Inc

ISO 9001, ISO 14001, ISO 45001 & PED CERTIFIED CO.

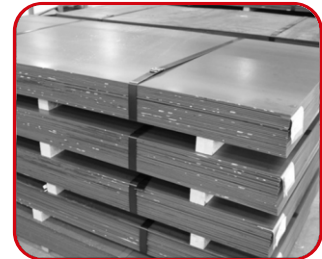

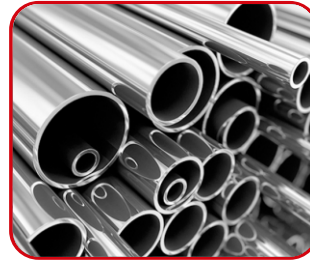

**MANUFACTURER, SUPPLIER & EXPORTER OF**

Stainless Steel | Duplex Steel | Super Duplex Steel  
Aluminium Alloys | High Nickel Alloys

Triple Nine Piping Solutions Inc. is one of the trusted market leader in India. We are engage in manufacturing & exporting ferrous and non-ferrous products in a wide range of materials, grades, shapes, sizes & other specifications for more than 15 years.

We provide high performance metal products for multiple industries. Our products include pipes & tubes, pipe fittings, flanges, bars & rods, sheets & plates, fasteners in materials stainless steel, duplex steel, super duplex steel, aluminium alloys and high nickel alloys. We have served our prestigious clients by giving them quality products, timely delivery on regular basis at the most reasonable prices, thus developing long term business relationships with them. With the support of our highly experienced workforce, we have been able to cater the bulk order requirements in requested time frame and recognized as one of the World's leading manufacturer & supplier in metal industry.

Our strength includes decades of experience, world class infrastructure, highly focused research & development team, experienced engineers, stringent quality control system, unrivalled workmanship, customize solutions, transparent pricing, accurate testing, satisfied customers.

**Setting A Global Standard In Metal Industry Worldwide by  
Providing Excellence Stainless Steel,  
Duplex Steel, Super Duplex Steel, Aluminium Alloys  
& High Nickel Alloys Piping Solutions**

We are one of the trusted Manufacturer, Supplier, Stockist & Exporter of Pipes & Tubes, Butt weld Fittings, Socket Weld Fittings, Threaded Fittings, Flanges, Bars & Rods, Sheets & Plates, Fasteners in below Materials & Grades. We also provide personalise custom solutions to our client's as per there requirements

<b>Stainless Steel</b>	Stainless Steel: 200 Series, 300 Series, 400 Series, 904L, 17.4PH, 15.5PH, etc.
<b>Duplex Steel</b>	Duplex Steel 2205, UNS S32205, UNS S31803, etc.
<b>Super Duplex Steel</b>	Super Duplex Steel 2507, UNS S32750, UNS S32760, etc.
<b>Aluminium Alloys</b>	Aluminium Alloy Series: 1xxx, 2xxx, 3xxx, 4xxx, 5xxx, 6xxx, 7xxx, 8xxx, etc.
<b>High Nickel Alloys</b>	Nickel (200/201), Inconel (600/601/625/718), Hastelloy (C22/C276,B2,B3,X), Monel 400/K500), Incoloy 800/800H/800HT/825/925/DS), Titanium Grade 2, 5, etc.
